Do you or someone you know have a disabling condition forcing you to seek assisted living? Are you bothered by living alone? Would you enjoy socializing with others in your own age group?

We encourage you to visit us at the Country Villa Retirement Home. We offer spacious private bedrooms with private bathrooms, peaceful atmosphere, all meals delicately prepared, senior citizen activities & outings, caring and personable socialization, laundry & linen service, parking spaces, wildlife attractions and more. The Country Villa, is privately owned & operated by Joseph & Paula Goudreau. Stop by and see our home.
The door is always open.

We Celebrate Birthdays and Holidays

Our Goal

Our goal is to enable our residents to be independent & to have the best quality in life possible.

The Country Villa is a peaceful home for people who find it impractical to maintain their own home. Senior citizens who need a helping hand, but also have the desire to remain as independent as possible.

Personal independence is highly valued at the Country Villa.

Just Like Home

Our home is designed to offer a relaxed social atmosphere. We offer safe, secure & supportive resident care.

The front covered porch, equipped with both straight and rocking chairs, provides a sitting area to watch the coming and going people and traffic. Our paved walkways facilitate our walkers along the flower beds. Our large rear deck provides quiet privacy to watch the wildlife and enjoy beautiful gardens.
